

## 2024-25 PRESCHOOL PAYMENT RATE AND TERMS

### Annual Tuition (52 weeks)

Note: If comparing these rates to other preschools' published rates, remember that many schools do not include summer (10 additional weeks) in their calculations. The rate chart below has been adjusted for our 2024-25 school year (52 weeks). If your student is eligible for Act 166, your annual tuition will be reduced by \$3,884 for the 2024-25 academic year. To receive the reduced rate, caregivers are responsible for registering their child(ren) with their local school district and meeting attendance requirements set forth by said school district.
